

## UCSD LINGUISTICS LANGUAGE PROGRAM

### Welcome!

Welcome to the Linguistics Language Program, a unit of the Department of Linguistics at UCSD. We offer basic instruction in American Sign Language, Arabic, French, German, Italian, Portuguese, and Spanish, in six heritage languages (Arabic, Filipino, Korean, Persian, and Vietnamese), and in over 60 other languages in our independent study program.

### What you can expect from us

- **A rich language-learning environment:** Learning a language requires lots of meaningful input and interaction. Our courses are designed to give you exactly that, during both in-class and out-of-class activities.
- **An enjoyable and supportive classroom atmosphere:** Learning a language should be fun, and you will find our classes to be a pleasure to attend.
- **A committed and dedicated staff:** We have one main goal: giving you the most effective language-learning experience possible. Your success is our success, and we do everything possible to make sure you finish your course sequence with a practical ability in the language that you will be able to use for the rest of your life.

### What we expect from you

- **Dedication:** We give you the best language-learning environment possible and the means to make use of that environment. The rest is up to you. The more time you put in, the more you will learn.
- **Enthusiasm:** Many of our classes are small and personal, and you will get to know your teachers and classmates well. You owe it to them to show up ready and eager to participate.
- **Honesty:** We take academic integrity very seriously. Please read our policy below and make sure you understand it.

### Academic Integrity

**All students are expected to do their own work.** The following acts constitute *academic dishonesty* and will result in any or all of the following sanctions: a grade of F, expulsion from the course, and/or disciplinary measures by the Dean of Students of the student's college.

Academic dishonesty includes but is not limited to:

1. During a written or computerized exam/quiz, using books, notes or on-line resources, copying from another student or receiving unauthorized help.
2. Turning in a written composition that has been copied from a book or some other printed source, from the Internet or that has been written in whole or in part by someone other than the student.

Moreover, students are expected to show proper respect for instructors and fellow students in class discussions and compositions. Improper and indecent language use will not be tolerated. See also the appropriate section of the *UCSD General Catalog* entitled "UCSD Policy on Integrity of Scholarship."

## Course goals

The Conversation and Analysis sections are two halves of one course and need to be taken together. Both are designed to immerse you in the language and give you a practical ability as quickly as possible. The two halves are together worth **5 units**, so you should expect a heavier workload than a typical 4-unit class.

- **Conversation (MWF)** is a smaller class, with special attention to vocabulary development and cultural knowledge.
- **Analysis (TuTh)** is a larger class, with special attention to listening, reading, and learning how to analyze the language and the culture.

## Attendance

Your course grade is determined by several categories (tests, homework, etc.) that are listed in the syllabus. Attendance is not one of these categories. As long as you attend a reasonable number of class meetings, any absences will have no effect on your course grade.

You may miss up to one week of class with no questions asked. Beyond that, your final grade will be reduced by 2 percentage points for each absence, as summarized here:

Conversation	
# of absences	Effect on grade (in percentage points)
0-3	0
4	-2
5	-4
6	-6
7	-8
8	-10
-2 for each additional absence	

Analysis	
# of absences	Effect on grade (in percentage points)
0-2	0
3	-2
4	-4
5	-6
6	-8
7	-10
-2 for each additional absence	

Why do we care about your attendance? Because everyday exposure and live interaction with your instructor and classmates are necessary for attaining a practical ability in the language, and that is one of the main goals of the course.

If factors beyond your control (such as a serious illness) force you to be absent for more than one week, please contact your instructor. We know that the world is a complex place now, so if you find yourself in a difficult situation, we want to help you work through it.

If you are absent and miss a quiz, exam, or other assignment, contact your instructor immediately. Any approved make-up must be completed within one week.

## Participation

Being in class is important, but what you do in class is also important. You will learn more language if you are actively engaged and interacting. For this reason, your instructor will be giving you a participation grade periodically to encourage you to:

- arrive in class prepared, with any assigned activities completed and any needed materials at hand.
- use the target language exclusively.
- be attentive and interested in what your fellow students and your instructor have to say.
- participate in class activities willingly, enthusiastically and voluntarily, with the goal of creating a lively and engaging learning environment for everyone in class.

The extent to which you do these things will determine your participation grade for that period:

<b>A</b>	=	You <b>always</b> do the above, in every class and for the entire period.
<b>B</b>	=	You <b>mostly</b> do the above.
<b>C</b>	=	You <b>sometimes</b> do the above.
<b>D</b>	=	You usually do <b>not</b> do the above.

## Enrollment and Placement

If you have had any previous experience in the language you intend to study in our program, (such as previous course work in high school or college, exposure at home, or residence or study abroad), you are required to:

ASL	Consult Peggy Lott, Academic Coordinator for ASL ( <a href="mailto:plott@ling.ucsd.edu">plott@ling.ucsd.edu</a> )
Arabic	Consult instructor
Portuguese	Consult instructor
All other languages	Take Language Placement Exam at <a href="https://lang.ucsd.edu/lp">https://lang.ucsd.edu/lp</a>

If you have any questions about placement, please see the staff in the Language Office, AP&M 3016.

A student who fails one half of the course must retake that half before continuing on to the next level of the sequence. In order to enroll in the next level, you must have completed the Conversation component of the previous level with a grade of "C-" or better and the Analysis component of the previous level with a grade of "D" or better. A student who receives a Conversation grade of "C-" or better but who receives a "D" in Analysis may do one of two things: Either 1) retake Analysis before going on to the next level, or 2) go on to the next level. However, a student may not complete the next level and subsequently retake a "D" grade. (A student who receives a "P" grade in the Conversation component and "NP" in the Analysis component may not continue to the next level.)
